Hello everyone – I hope you all have your painting hands moving getting projects painted for the Christmas luncheon. /Tea. The luncheon info is to follow.

I am sorry if any of you missed Susan Mcikulka's, classes, we had 2 day which she gave out great information and technique. I know that I learned a lot from her as I really have never done waves be for. So much fun, remember check our web site to see pictures of the classes and finish pieces, Marge is going to have them on there soon.

Remember if you submit items to the Newsletter, you receive Jewels which can be put toward free seminars.

I look forward to seeing everyone at the May meeting. Again, it looks like a great project – can't wait.

Raffle Bags- We will start in May Newsletter

PLEASE if you have something to be included in the newsletter, feel free to email johnsand89@outlook.com
Remember if you add a tip, recipe whatever you think would be interesting to your fellow painters, you can earn Jewels for future seminars.

I didn't know this so I thought I would share it. If you have completed a painting on canvas do a light spray of flat paint over it. If you use flat paint, it will not show the grooves in the canvas.

Another good tip is when you are paint on wood – instead of drilling holes in the wood you can use flat back ½ rounds to hold your hanger on , it them becomes decorative to the painting.

Please join me in wishing our May MEMBER A Happy Birthday

THE CHRISTMAS/LUNCHEON/TEA

I am so happy that Susan Harris has donated a great painted table for our first raffle prize. We will be doing a Florida Christmas tree for the second prize with at least 5 painted ornaments done by every member. Each ornament should be something to do with by the SEA, which should make a nice full tree. We still need a 3rd prize and I do have a piece for anyone that would be willing to paint it.

We need everyone to chip in and help out with the Luncheon. We will be cutting it back a little so please come to the meetings to find out what is going on. The price of the luncheon will be going up to \$10.00 a person, which is not unreasonable.

Marge is already talking about getting the raffle tickets and the luncheon tickets ready to be ordered.

It is really important that everyone paint auction items, as this is where we make our money to survive for the following year. We will be having a TEA table only so remember to paint a couple of smaller items for this table.

The chapter will be ordering finger sandwiches. Jennifer Hammer has agreed heading the Salads list so please get in touch with her to find out what salads are available to bring so we do not have duplicates. As in past years you have to bring 2 large bowls of the same salad in your own bowls with your own spoons. (Please keep track of your own stuff) This list will get posted in the Newsletter starting in Sept.

In an effort to keep everyone safe, we will be the food, rather than participants serving themselves. I know this will be hard on everyone but better safe than sorry. (This might change closer to the luncheon) We are small in the number of active members we have; therefore, we will need everyone working the party. This may mean you may not be able to sit with friends until such time as all duties required to make the party run smoothly are completed.

A list to do different positions at the luncheon is available (Tea cup tickets, boutique, raffle, front door, Auction people, lunch servers., etc) contact me (Sandy) if you know what you would like to do.

A table list has also been done up for sign-up, I am saying we need to do at least 12 tables this year, each table consists of 8 table favors and one centerpiece (which will go to the live auction). Even if you do not have people to sit at a table you can still paint and earn jewels.

Remember to look at the jewels list – for every painted item you submit or you do table you get jewels which can add up to a free seminar. JoAnne DeSantis is in charge of the jewel book and she will be more than happy to show you the book at the monthly meetings

PLEASE ASK ALL YOUR FRIENDS & FAMILY -THIS CANNOT BE A SUCCESS WITHOUT YOU. REMEMBER IF YOU LIKE THE SPECIAL TEACHERS TO COME IN, THIS IS THE WAY WE WILL BE ABLE TO HAVE THEM.

Ladies below is a list of chapters please do yourself a favor and go on line to see what they are going in their chapter you will be so surprise what other chapters are doing.
